Introduction

The Governing body recognises that it has ultimately responsible for the financial management of the school and has produced this policy document to help it fulfil those responsibilities.

The school Dividend Gold Card is issued by the Co-op for the purchase of healthy and nutritious breakfast food and drink. Birchwood Junior School provides a Breakfast Club, which is run by staff members. School receives a grant of £400 at the beginning of each academic year (equating to £10.52 per week). School reimburses the co-op for any purchases that exceed the grant allowance. From September 2024 we will receive a minimum of £400 a year for up to 3 years, this may be in the form of vouchers which can be spent on Breakfast food items such as bread, milk, cereals and fruit.

The Governors will authorise use of the Co-op Gold Card as set out below and review on an annual basis.
