

THE HIVE PROJECT

BADGE BOOK

AUTUMN Y6

#TheHiveProject

What is it?

This new badge book is an incredible opportunity for you to have a go at lots of new things out of school that you can do by yourself, with your families and with your friends. The more activities you complete each term, the more badges you will be able to collect!

How does it work?

- 1) On each badge, there are instructions for you to follow to be able to complete them.
- 2) Once you have completed a challenge you will just need for you or an adult to simply upload your evidence to Tapestry or share with our social media platforms! You will have 2 terms to complete the badges so don't rush.

How do I get my badges?

To get your **bronze** badge, you must complete **1 badge** from each of the sections in this booklet.

To get your **silver** badge, you must complete **1 badge** from each of the sections of the booklet, plus 2 more of your choice.

To get your **gold** badge, you must complete **every badge** from all of the sections of the booklet.

	<p style="text-align: center;">Clubs & hobbies</p> 	<p>Over 2 months, start and become actively involved in a new hobby. This could be drawing, collecting something, sewing- the list is endless! Get lots of photos of you doing your new hobby and a video explaining why you like your new hobby.</p>	

Spring Reasoning & Problem Solving

Maths Photographer!

We want you to go out with a camera phone and take photographs of the signs of Spring. When you get home, take a good look at the pictures you have taken. What maths can you see in them? How many? What shapes can you see? What fraction of the trees have leaves on them?

Game time

Create your own maths board game and play it with friends and family.

Explain on tapestry how you created it and what the rules are.

Feel free to send us a picture for twitter

	<p>International Awareness</p> 	<p>https://www.un.org/en/observances/international-days-and-weeks</p> <p>Have a look at the UN website on dates between January and April. Choose a day that you are going to research and learn about. Create a video on this day about why you have researched it and why you think it is important.</p>	

Here at Birchwood Junior School and across the Forest Skies Federation, we really want our children to:

Help Nurture Aspirations of all its pupils to help them
'Take off and fly'.

By completing this badge book, we hope that the children will be able to do all these 3 things and much, much more.

Whilst completing the tasks our pupils are encouraged to use their DREAM BIG powers both inside and outside of school.

The more badges that our children receive, the more leadership opportunities they will have in school. This will include applying for some of our amazing roles which we have on offer, including:

- Sports Ambassadors
- School Councilors
 - Librarians
- Birchwood Eco Warrior
 - Mini Police
- The Birchwood Gardening Association

So please enjoy and, most importantly, **have fun** completing these badges. Any questions about this, please contact Mr Money via Tapestry who will happily help out with any issues 😊

Check out our website and our social media channels for more information and share your work with the **#TheHiveProject!**
