JUNIOR SCHOOL

THE HIVE PROJECT

BADGE BOOK

Summer Y6

#BirchwoodBuzzing

What is it?

This new badge book is an incredible opportunity for you to have a go at lots of new things out of school that you can do by yourself, with your families and with your friends. The more activities you complete each term, the more badges you will be able to collect!

How does it work?

- 1) On each badge, there are instructions for you to follow to be able to complete them.
- 2) Once you have completed a challenge you will just need for you or an adult to simply upload your evidence to Tapestry or share with our social media platforms! You will have 2 terms to complete the badges so don't rush.

How do I get my badges?

To get your **bronze** badge, you must complete **1 badge** from each of the sections in this booklet.

To get your **silver** badge, you must complete **1 badge** from each of the sections of the booklet, plus 2 more of your choice.

To get your **gold** badge, you must complete **every badge** from all of the sections of the booklet.

The Year 6 Badge

**Commonwealth
Games 2022**

How do I get it?

You must:

This summer is the Commonwealth games in Birmingham. This event has over 70 countries taking part in 280 events in 20 sports!

Find out about 3 of the sports or events that will be taking place and complete these at home or out and about. Upload videos and photos of you completing this task.

Research about 1 of the countries in the games and create a poster about it.

**Clubs
&
hobbies**

Sign up to one of the lunchtime or afterschool clubs that are available at school or about a club or a hobby you do outside of school.

Create a video on why you've enjoyed it and some of the rules of the club that you have joined and upload it to tapestry.

Autumn Reasoning & Problem Solving

Cooking Champion

It is summer time and we want you guys to get cooking for a BBQ.

We want you to get organising a family BBQ and help prepare and cook lots of different dishes. Work out the measurements with what you will need!

Share images and videos on tapestry.

Clever Classifiers

All animals adapt to their environment. Go out for some walks with your family to find at least 4 different species of birds.

Create a David Attenborough style report on these birds and how they have adapted to their environment.

You may wish to draw a few to use as diagrams for this.

Autumn Life Skills

Nature Hero

Choose a vegetable to grow either at home in the garden.

Regularly water it and look after it. Take photos each week of what's happened.

Plan and prepare 2 meals with the veg that you have looked after.

Happy Helpers

Call up another family member and offer to do some gardening for them. This could be planting some seeds or simply sprucing up a flower pot on their window sills or kitchen tables.

As always, we would love to see and hear all about your community spirit via tapestry!

Autumn Community Spirit

Explorers Assemble

With an adult, plan a family day out. This could be to a local woodland, the seaside, into the hills or into town.

Before you go, plan and research what you want to do when you get there and why you want to go.

Take lots of photos of your day out and videos and then recount what you did.

Charity Champion

Research a local or a charity in the U.K that you would like to help.

Create a video explaining why you want to help this charity, and then come up with a fundraising idea to raise money!

This could be a sponsored run, a sponsored silence, a jumble sale at your house- anything! Raise as much money as you can through people sponsoring you and give it to your chosen charity.

Here at Birchwood Junior School and across the Forest Skies Federation, we really want our children to:

Help Nurture Aspirations of all its pupils to help them
'Take off and fly'.

By completing this badge book, we hope that the children will be able to do all these 3 things and much, much more.

Whilst completing the tasks our pupils are encouraged to use their DREAM BIG powers both inside and outside of school.

The more badges that our children receive, the more leadership opportunities they will have in school. This will include applying for some of our amazing roles which we have on offer, including:

- Sports Ambassadors
- School Councilors
 - Librarians
- Birchwood Eco Warrior
 - Mini Police
- The Birchwood Gardening Association

So please enjoy and, most importantly, **have fun** completing these badges. Any questions about this, please contact Mr Money via Tapestry who will happily help out with any issues 😊

Check out our website and our social media channels for more information and share your work with the #BirchwoodBuzzing!
