

*Year 2*

- I can find a word in a sentence that has the same meaning as another word or phrase.

*Year 7*

- I can learn and remember new vocabulary by independently using the context of the sentence or a dictionary.

*Year 3*

- I use whole sentences to make a sensible guess about new words' meanings.
- I use the structure of a dictionary to find the meaning of new words.

*Year 6*

- I use a dictionary independently.
- I use a thesaurus to give alternative words/phrases with a similar meaning.

*Year 4*

- I use what I know about root words, prefixes & suffixes to help understand the meaning of new vocabulary.
- I use a dictionary to check the meaning of new vocabulary.

*Year 5*

- I use dictionaries independently to check the meaning of unfamiliar words & explain them to others.
